

304.37-020 Registration of insurers.

- (1) Every insurer which is authorized to do business in this state and which is a member of an insurance holding company system shall register with the executive director, except a foreign or alien insurer subject to disclosure requirements and standards adopted by statute or regulation in the jurisdiction of its domicile which are substantially similar to those contained in this section. For an alien insurer, the domiciliary state shall be deemed to be its state of entry. Any insurer which is subject to registration under this section shall register within sixty (60) days after June 16, 1972, or fifteen (15) days after it becomes subject to registration, whichever is later, and annually thereafter by April 1 of each year for the previous calendar year, unless the executive director for good cause shown extends the time for registration, and then within the extended time. The executive director may require any authorized insurer which is a member of a holding company system which is not subject to registration under this section to furnish a copy of the registration statement or other information filed by the insurer with the insurance regulatory authority of its domiciliary jurisdiction.
- (2) Every insurer subject to registration shall file a registration statement on a form provided by the executive director, which shall contain current information about:
 - (a) The capital structure, general financial condition, ownership, and management of the insurer and any person controlling the insurer;
 - (b) The identity of every member of the insurance holding company system;
 - (c) The following agreements in force, relationships subsisting, and transactions currently outstanding between such insurer and its affiliates:
 1. Loans to, other investments in, or purchases, sales, or exchanges of securities of the affiliates by the insurer or of the insurer by its affiliates;
 2. Purchases, sales, or exchanges of assets;
 3. Transactions not in the ordinary course of business;
 4. Guarantees or undertakings for the benefit of an affiliate which result in an actual contingent exposure of the insurer's assets to liability, other than insurance contracts entered in the ordinary course of the insurer's business;
 5. All management and service contracts and all cost-sharing arrangements;
 6. All reinsurance agreements;
 7. Dividend and other distributions to shareholders; and
 8. Consolidated tax allocation agreements;
 - (d) Any pledge of the insurer's stock, including stock of any subsidiary or controlling affiliate for a loan made to any member of the insurance holding company system; and
 - (e) Other matters concerning transactions between registered insurers and any affiliates as may be included from time to time in any registration forms adopted or approved by the executive director.

- (3) It shall not be necessary to disclose information on the registration statement filed pursuant to subsection (2) of this section if the information is not material for the purposes of this section. Unless the executive director by administrative regulation or order provides otherwise, sales, purchases, exchanges, loans, or extensions of credit, or investments, involving one-half of one percent (0.5%) or less of an insurer's admitted assets as of the thirty-first day of December next preceding shall not be deemed material for purposes of this section.
- (4) Each registered insurer shall keep current the information required to be disclosed in its registration statement by reporting all material changes or additions on amendment forms provided by the executive director within thirty days (30) after the end of the month in which it learns of each change or addition.
- (5) All registration statements shall contain a summary outlining all items in the current registration statement representing changes from the prior registration statement.
- (6) Subject to KRS 304.37-030(5), each registered insurer shall report to the executive director all dividends and other distributions to shareholders within fifteen (15) business days following the dividend or distribution declaration.
- (7) Any person within an insurance holding company system subject to registration shall be required to provide complete and accurate information to an insurer, if the information is reasonably necessary to enable the insurer to comply with the provisions of this subtitle.
- (8) The executive director shall terminate the registration of any insurer which demonstrates that it no longer is a member of an insurance holding company system.
- (9) The executive director may require or allow two (2) or more affiliated insurers subject to registration to file a consolidated registration statement or consolidated reports amending their consolidated registration statement or their individual registration statements.
- (10) The executive director may allow an insurer which is authorized to do business in this state and which is part of an insurance holding company system to register on behalf of any affiliated insurer which is required to register under subsection (1) and to file all information and material required to be filed under this section.
- (11) The provisions of this section shall not apply to any insurer, information, or transaction if and to the extent that the executive director by administrative regulation or order shall exempt it from the provisions of this section.
- (12) Any person may file with the executive director a disclaimer of affiliation with any authorized insurer or a disclaimer may be filed by the insurer or any member of an insurance holding company system. The disclaimer shall fully disclose all material relationships and bases for affiliation between the persons and the insurer as well as the basis for disclaiming the affiliation. After a disclaimer has been filed, the insurer shall be relieved of any duty to register or report under this section which may arise out of the insurer's relationship with the person unless and until the executive director disallows the disclaimer. The executive director shall disallow the

disclaimer only after furnishing all parties in interest with notice and opportunity to be heard and after making specific findings of fact to support the disallowance.

- (13) The failure to file a registration statement or any amendment thereto required by this section within the time specified for the filing shall be a violation of this subtitle.
